- 13) An applicant becomes a sandbox participant if the Regulatory Relief Office approves the application for the regulatory sandbox and enters into a written agreement with the applicant describing the specific laws and regulations that are waived or suspended as part of participation in the regulatory sandbox. Notwithstanding any other provision of this chapter, the Regulatory Relief Office may not enter into a written agreement with an applicant that waives or suspends a tax, fee, or charge that is administered by the State Tax Commission or that is described in **[insert relevant state code]**.
- 14) The Regulatory Sandbox Director may deny at the Director's sole discretion any application submitted under this section for any reason, including if the Director determines that the preponderance of evidence demonstrates that suspending or waiving enforcement of a law or regulation would cause significant risk of harm to consumers or residents of the state.

description of the reasons for not allowing the applicant to become a sandbox participant.

Sandbox Director's decision under this subsection (G) may be overridden by an affirmative vote of 6 of the 9 members of the Advisory Committee.
